Your ticket and donations support this legacy
for a new generation.

BackCountry Jazz (BCJ) is a presenter and creator
of outstanding concerts with major jazz artists and
rising stars since 2007.

In 2010, BCJ stepped in to meet the need for quality
music education for underserved students in the
Bridgeport area. The BCJ Music Education Program
now operates throughout the year to enrich the
experience of students and to create new opportunities
for young musicians.

Our tuition-free programs include the BackCountry
Jazz Summer Music Camp, the After-School Music
Program, scholarships, student performing
ensembles, instruments, workshops, master
classes, and exciting concerts and events with
artists and educators who perform and teach
at the highest level of excellence.

Through concerts and music education programs,
BackCountry Jazz celebrates, preserves and
expands the rich tradition of America's music, Jazz.

Thank you for your support.
